

HSR-BENELLI  
MOMENTS BEFORE FLYING

## NEWSLETTER #1

January 2009

**Dear Business Partner – the Latest News for You:**

### **S4 Cup supporting novice riders at French Championship**

HSR-BENELLI is happy to announce that there will be organised an exclusive S4 Cup to promote the entry of new riders in our PWC sport. The S4 Cup will take place during all closed circuit races of the French Championship.

**The overall champion of the S4 Cup will  
win an exclusive Series-S Pro Edition  
in order to support the rider on following the HSR-Benelli spirit and  
being able to participate in future competitions.**

### **S4 Cup regulations:**

- This class is **exclusive for novice riders**, who took part in national races with maximum 1 year of experience.
- There should be a minimum number of 10 riders registered\* on the championship in order to fulfil regulations and win the Series-S Pro Edition at the end of the season.
- \*A valid registered rider must have a 2009 S4 which is registered by the riders' dealer for this promotion.
- The dealer must send an e-mail to [office@hsr-benelli.com](mailto:office@hsr-benelli.com), with the hull and engine number of the unit and the name of the rider which is taking part in the championship, in order to confirm that it is a valid unit for the promotion.
- If there are less than 10 riders registered on the championship, the price will be an HSR-BENELLI accessories kit
- HSR-Benelli will inform through its web site the updated list of registered riders.
